

How to cancel MLX wireless:

Log into MLXchange. On the main page go to MLX Wireless under MLS Resources and click on MLX Wireless. A drop down will appear. Click on MLX Subscription Sign Up. Another page will open and on the right hand side of that page you will see a link under Wireless Resource Center that says unsubscribe. Click on that link. The next page will appear. Fill out the information that is requested and then click on submit now. You will receive a confirmation of your cancellation. Keep that for your records. Hit the **red** "X" to exit out once complete.
